

The Big Wheel

DEDICATION

Jasper Place School Board

Left to Right: Dr. P. MacRae, Mrs. E. Lake, Mr. A. E. Hohol, (superintendent)
Mr. James Young (chairman) Mr. A. L. Miller, Mr. Eric Murray, Mr. D. A
Tilroe (secretary-treasurer)

This year's BIG WHEEL is dedicated to the former Jasper Place Public School Board. It was this group of people who dared to break with tradition and build a new, experimental school — Hillcrest. We can not thank them enough for our school. Moreover we hope that their spirit and leadership will continue to be an example for all to follow.

William J. Keufus

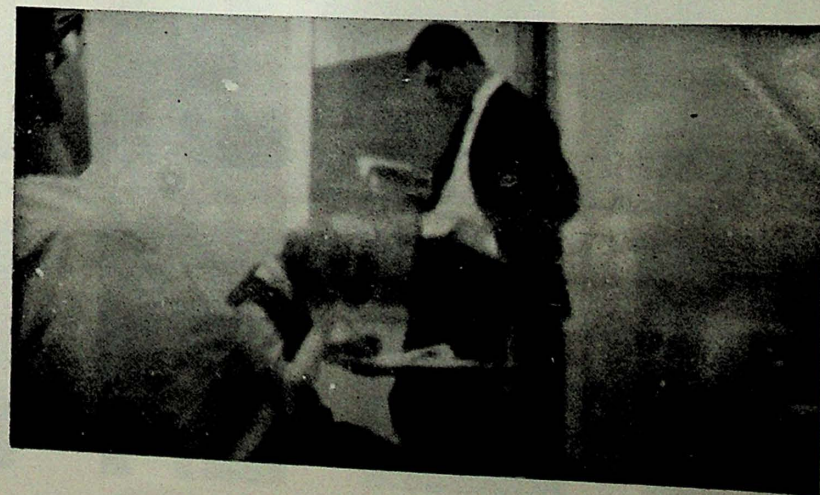

1963 - 64 was an historic year for the Hillcrest Junior High School students. The windowless air-conditioned school was on trial.

We the user, students and teachers, are convinced that a controlled environment in schools is here to stay. The feeling of well being, the control of external and internal noises, the adaptability of the classrooms to many situations — and the extra two months of good study (through control of thermal environment) — will contribute much to our scholastic success.

It is my hope that each and every one of you will use these advanced facilities to maximum advantage. In the next ten years we will probably see a great change in both industry and human relations. Dignity of human labor may be a thing of the past; but never dignity of the individual. The dignity of the individual must forever be retained. We may revert to an ancient form of Greek society in the very near future — the master-slave relationship, man being the master, and machine the slave. With this kind of arrangement human labor has to change and our esteem for it. It may be that one third of our employable force will be without jobs as we know them today. That one third may be engaged in the arts and paid for it whether or not there is any visible fruit of production.

We in the schools must forever remember that the cultivated mind is the genius of dynamic democracy. We need the ability to look facts in the face however bitter they may be, to appraise them of their true worth and then to act calmly, judiciously and with determination. Man does not repudiate doctrine and dogmas with which he has lived and sworn allegiance to, but man does rationalize, revise and re-interpret doctrines to meet new needs and new circumstances. Therefore we must have a close look at the society in which we live; major surgery will be required but it must be done gently. We may have to wound society — never to kill it; we may have to influence society, but never destroy. We have to be practical, prudent, and patient.

Perhaps the motto of our centennial year should be "We seek the truth now and forever". For the students of Hillcrest School my most earnest desire is that they become men and women of mature mind who do honor to themselves and to society which includes the whole world.

RADIO CLUB

The aim of the Radio Club is to bring music and entertainment to Hillcrest students and club members.

Friday broadcasts are designed to bring a cross-section of the world of music to the listener.

Members have attended such attractions as the

Smothers Brothers, Sound of Music and Most Happy Fella. Other activities were sponsored jointly by the club and the students' union. One of the most rewarding activities of the club was the opportunity to tape the Allan Mills concert early in the fall.

SQUARE DANCING

One group that always has a ball is our Square Dancing Club. As was the case last year, the major problem for this group was to find space to dance in. But they danced anyway.

Some of our junior dancers performed at the

GLEE CLUB

Mr. Querangesser, with Mr. Holmberg again assisting the Glee Club singing as never before. Their first major appearance was at Award Night where the Lt. Governor, J. Percy Page, complimented our

singers on their fine performance.

Since that time they have gone from one success to another. The Big Wheel congratulates the Glee Club on a job well done.

BAND

The Hillcrest Junior High School Band was again active this year. Some of "Bogner's Boys" 1964-65 achievements were performing at a local television station for an Alberta — British Columbia broadcast, playing at Victoria Composite High School, and adding their musical talent to the Festival at the Jubilee Auditorium. Mr. Bogner has taken the band on tour to Trochu and Innisfail. The Band

has performed on numerous occasions at the School. Its Big night at home was the "Hillcrest Bandwagon '65."

All the students and staff at Hillcrest must thank Mr. Bogner for his devoted leadership and keen interest in the Band.

By the way, in case you didn't notice, there are ten talented girls included in "Bogner's Boys."

LIBRARY CLUB

The Library Club is the hardest working club in Hillcrest Junior High. Approximately one thousand books were processed and put on the shelves since last September. We hope everyone has enjoyed these books on which we have worked so hard. Practically all the typing and pasting of pockets and cards was done by the members of the club. They also put on most of the plastic covers.

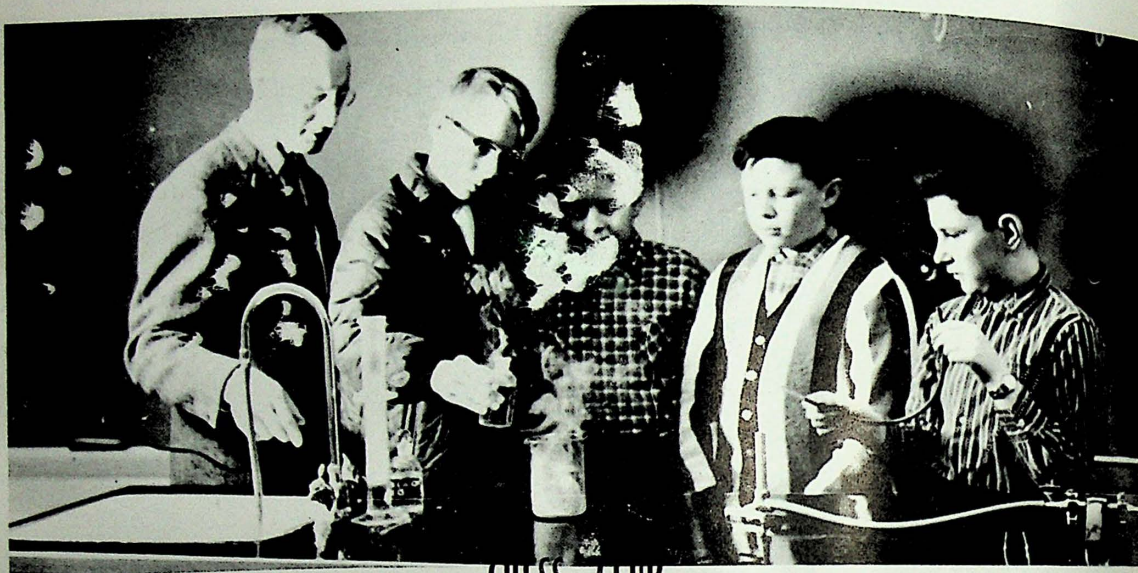

The members of the Library Club are Cathy Revers, president; Brenda Moore, secretary; Judy Campbell, Shelley Baldwin, Villa McNaughton, Alan Kimbal, Susan Watson, Pat Fowler and Patty Isbister.

The following were members but have dropped out in the course of the year: Judy LeFeuvre, Donna Russel and Karen James.

SCIENCE CLUB

The Science Club has been quiet this year. We believe the boys were playing around with chlorine gas, and since that time, not much has been heard from them. As yet, we don't know why.

CHESS CLUB

The Chess Club has had another year of enthusiastic activity. Many have participated and have shown fair to average ability. The highlight of the year's activity was the competition for the trophy

This term the club operated under the watchful eyes of Mr. Humphries, Mr. Kent and Mr. Treasure.

in April.

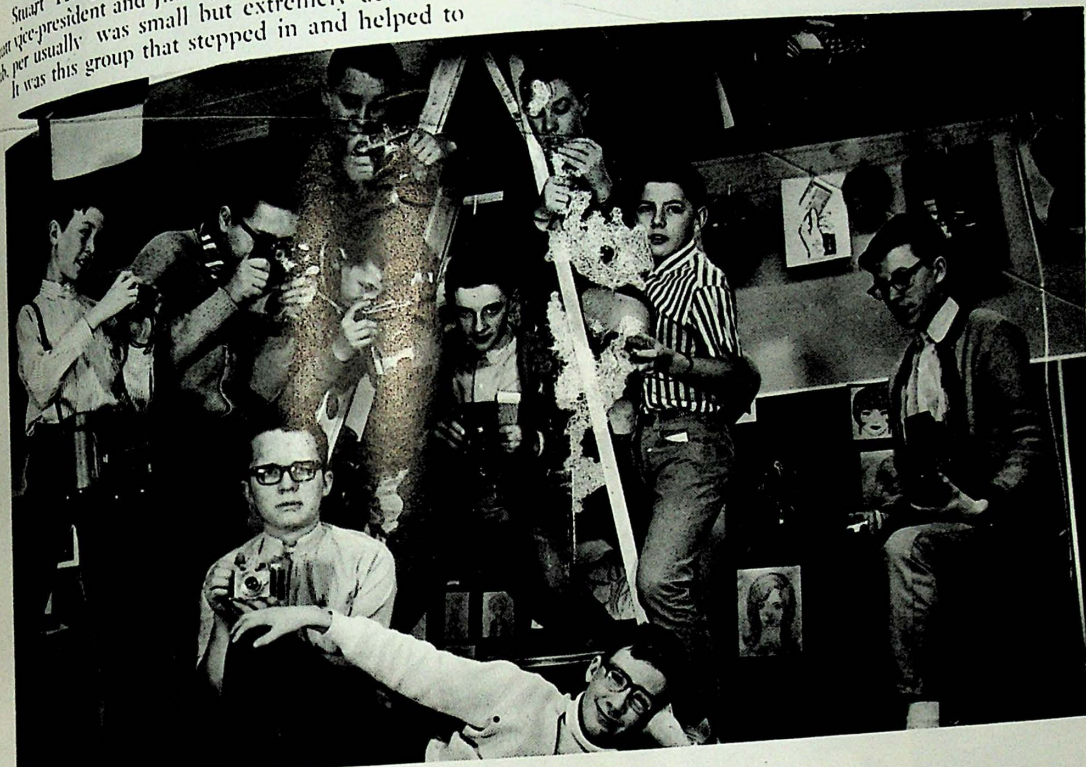

The Chess Club thanks Mr. Rudko for his continuing interest and assistance.

PHOTO CLUB

put the Yearbook together. Most of the pictures taken for the sports, activities and candid sections were taken by these snaphappy shutterbugs.

Smart Hodgetts was elected president. Roy Leary vice-president and Jim Spencer Treasurer. This club per usually was small but extremely active. It was this group that stepped in and helped to

DRAMA CLUB

The drama club prepared a "skit for the Amalgamation program held for the Jasper Place School Board.

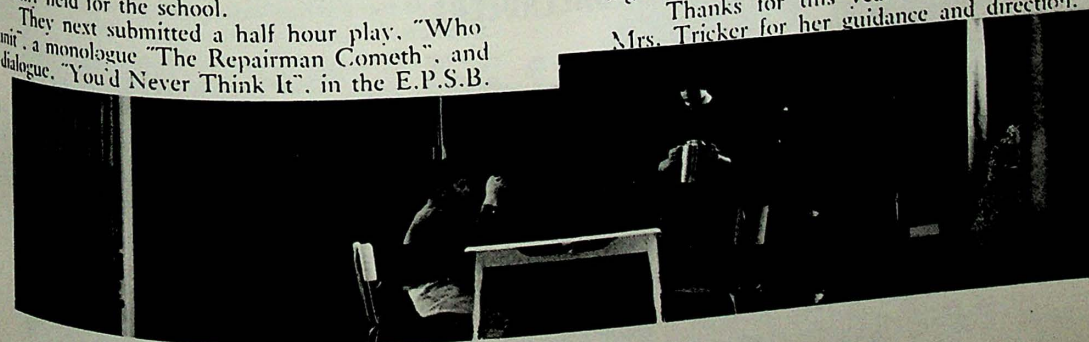

Their next project was the Christmas Concert for which they prepared playlets, skits, etc., but due to a long seige of inclement weather, the program was only held for the school.

They next submitted a half hour play, "Who dunnit", a monologue "The Repairman Cometh", and a dialogue, "You'd Never Think It", in the E.P.S.B.

Junior High School Festival. Results? Good. Noon-hour plays were presented for the enjoyment of our fellow Grade 7's.

The drama club rounded out the year at the Spring Concert, May 13th and 14th, where they presented a one act play, a monologue, and a dialogue.

Thanks for this year's successes must go to Mrs. Tricker for her guidance and direction.

ALLAN MILLS

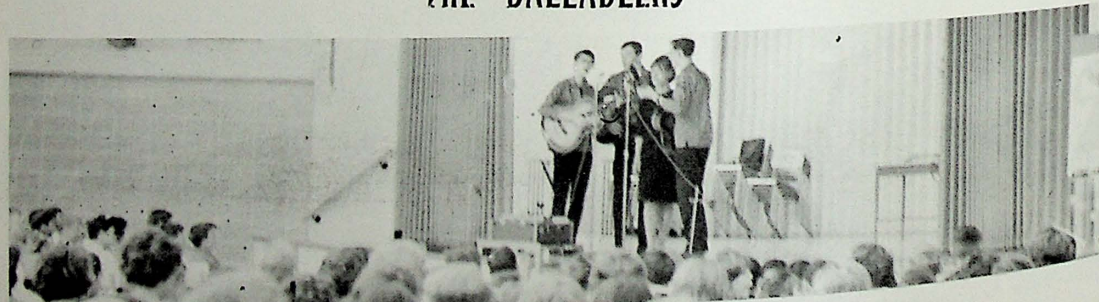

Early in the fall, the Radio Club provided all Hillcrest with an outstanding musical treat — Allan Mills. Thanks goes to Mr. Krous and his burnt tubes for this affair.

SOCK HOP

The years first Lit allowed all students to polish the gym floor with their "sock-clad tootsies". It was enjoyed by all.

THE BALLADEERS

Folk Music by The Balladeers, a group from the J. P. Composite High School, filled the gym. Thanks must go to the Radio Club.

AWARDS NIGHT

In conjunction with the school's first year of operation, the staff of Hillcrest Junior High School invited Provincial and local dignitaries, parents, and students of last year's Grade IX graduating class during an evening of awards presentations on November 12th.

Carol Etherington

Carol Etherington, daughter of Mr. and Mrs. Wilfred Etherington of 9821 - 153 Street, was the proud recipient of the Governor General's Medal, pictured above, being presented by the Hon. Dr. P. Page, the Lieutenant Governor of Alberta. Carol was also recognized as having achieved the highest aggregate score in the Province of Alberta on the Grade IX Examinations.

This is no mean accomplishment, as was pointed out by the guest speaker, the Hon. R. McKinnon, Minister of Education, who stated that this was the highest out of some 24,000 students writing during the 1964 term. It is also pointed out that approximately 1200 students achieved honors standing and that there were fifty-five Governor General's Medals presented in the province.

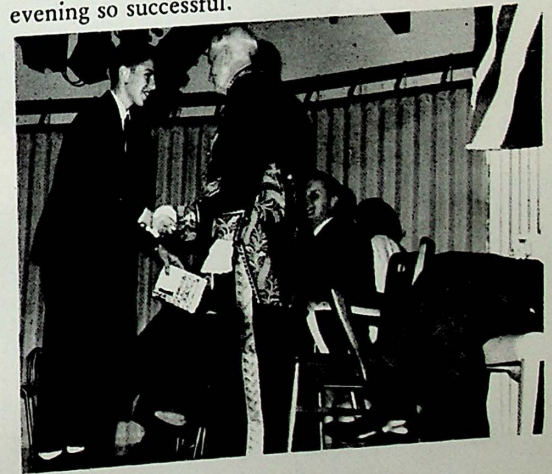

Six Scholarships valued at one hundred dollars were presented on behalf of the Jasper Place Teachers' Professional Organization the Alberta Teachers' Association, by R. A. Wiznura, the last President prior to amalgamation and Vice-Principal of the school. Awards of \$25.00 each went to Carol Etherington and to Theresa Pettit (recently moved to Sask.). Fifteen dollar awards were presented to Sharon Loyer and to Patricia Wilson with ten dollar awards going to Barry Logan and Carolyn Hill.

The dissolved West Jasper Place Public School Board carried out for the last time their policy of presenting each honor student with a book of his or her choice, valued at about ten dollars. Mr. J. Young, past Chairman of the Board and Mr. J. Finlay, past

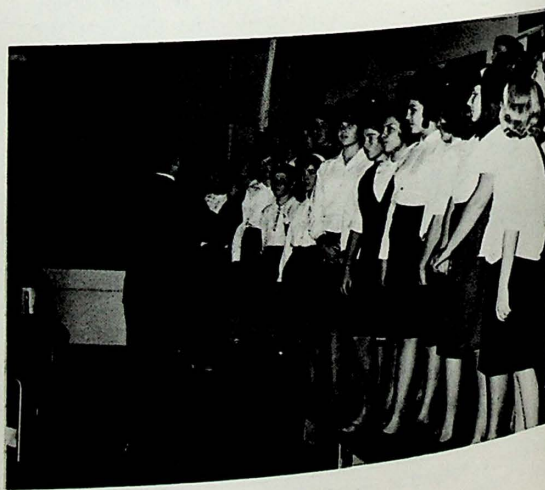

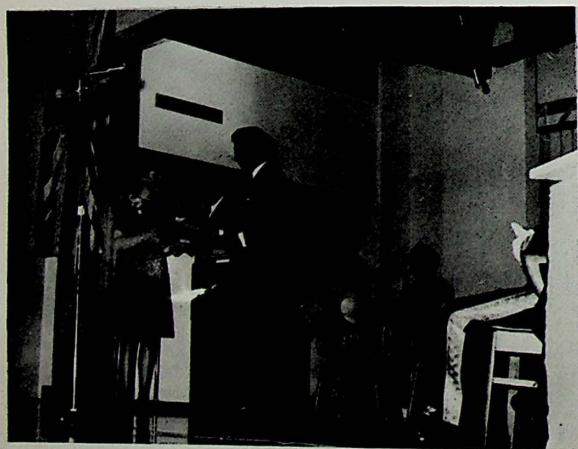

Co-ordinator of Secondary Education in Jasper Place accepted the honor of making these presentations to Carol Etherington, Sharon Loyer, Patricia Wilson, Barry Logan, Carolyn Hill, Sheila Todd, John Andrew, Richard Checkland, Anne Holmes, Laurie Landreth, Shirley Loyer, William Venables, Penny Worthington, Theresa Pettit (in absentia) and Gerald Crosby (in absentia).

Mr. C. C. Evoy, vice-principal of the school in charge of Guidance and Counselling Services as well as the administrative co-ordinator of student activities presented awards on behalf of the Students' Union as well as the staff and the school. Receiving the Awards on behalf of the respective "Ranches" of the House League system were Sandra Jerke, Robert Sickles, and Garry Gardiner. Mr. Evoy also presented Chris Costar, Richard Rurka and Ray Lutt (in absentia) awards in Art, made available by the Edmonton Exhibition Association. Lorne Wylie was awarded a trophy for being School Champion in Chess, a distinction in mental athletics.

Dr. P. F. Bergen, Superintendent of the Edmonton Public School System, extended his appreciation, on behalf of his office and the Board he represents, to the visiting guests who had shown such an active interest in the accomplishments of our young people, to the students receiving awards, to the parents and also to all the students NOT receiving awards but equally as important at such occasion in view of the importance of their projected contribution to our society. Special recognition was extended to the school and its staff for making the evening so successful.

Mr. W. J. Klufas, the Principal of Hillcrest, and the colorful Master of Ceremonies, concluded the evening by extending thanks to Hon. Dr. P. Page, Hon. R. McKinnon, Dr. P. F. Bergen, Mr. J. Horan, West Edmonton M.L.A., Mr. Finlay, the parents, the participants of the evening program, the students and his staff.

Mokluk

LI'L MUK-LUK FEB. 10

One of the highlights of this year's activities was the first "Li'l Muk - Luk". It was a tremendous success and we hope it will become an annual affair.

Prior to the day, the Grade Nine Sled-dogs craftily beat the Tough Teachers in a magnificent toboggan race.

"Li'l Muk - Luk" day dawned bright and beautiful. Events featured were:

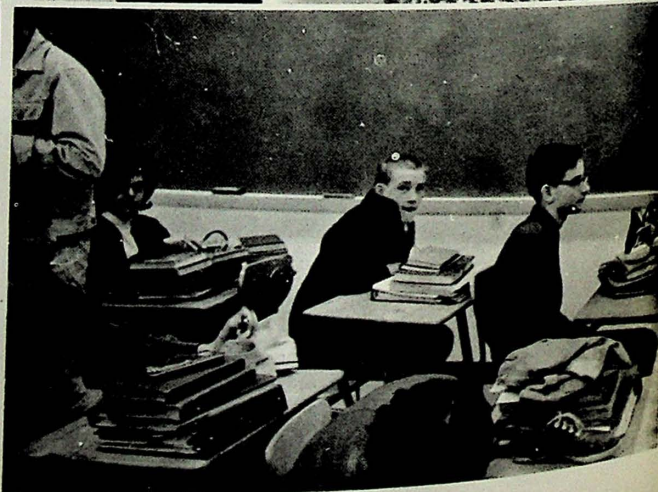

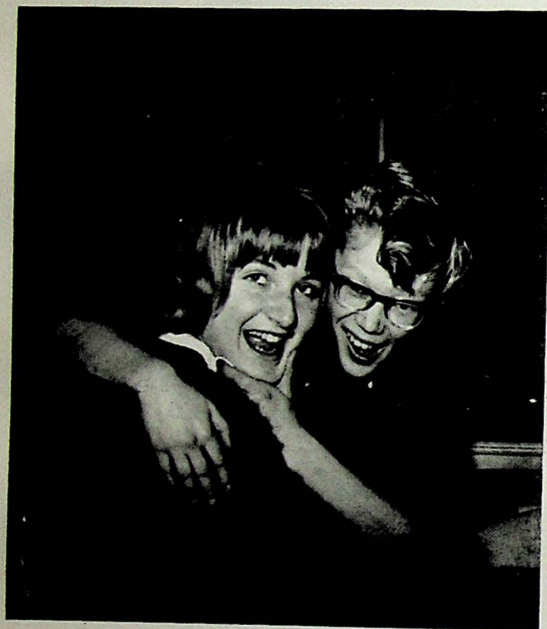

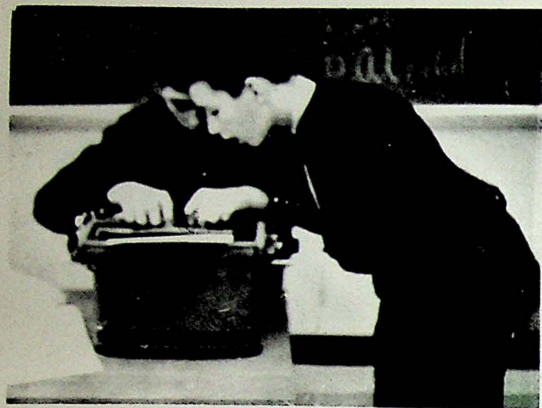

Student-Teachers Broomball Game (won by the teachers—naturally).
Individual Grade Toboggan Races, Snow

Statue building, and a Sock Hop featuring the C.J.C.A. Knights.

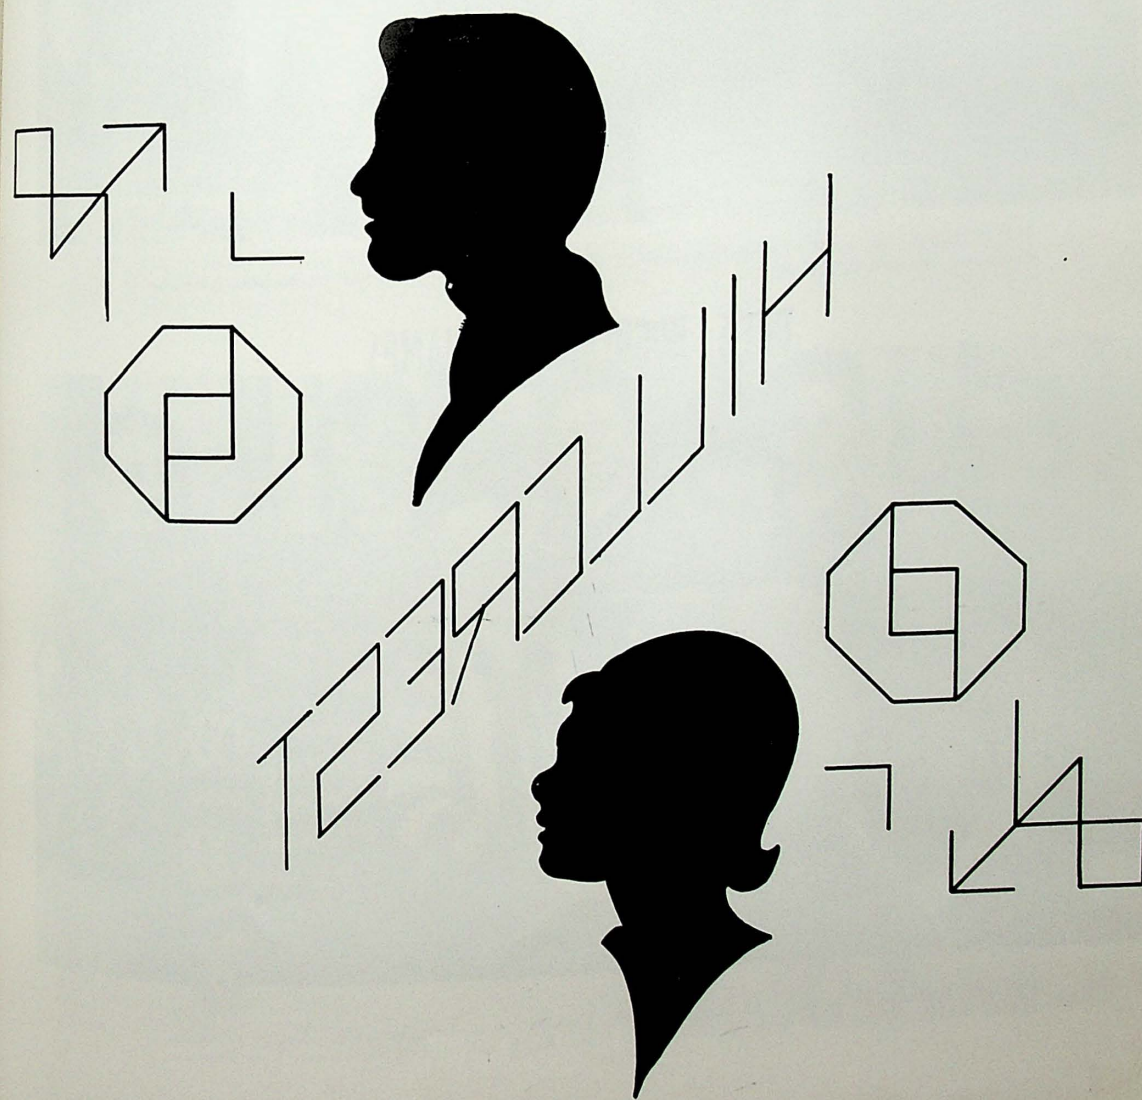

Unofficial Events featured were: Mr. Klufus bashing Tom Weekes, students snowballing Mr. Robinson, Mr. Robinson chasing students, Brent Kirk drinking two gallons of hot chocolate, and Betty Lake mopping the gym floor with her hair.

Thanks must go to the Students' Union who worked long and hard to give us an outstanding winter activity.

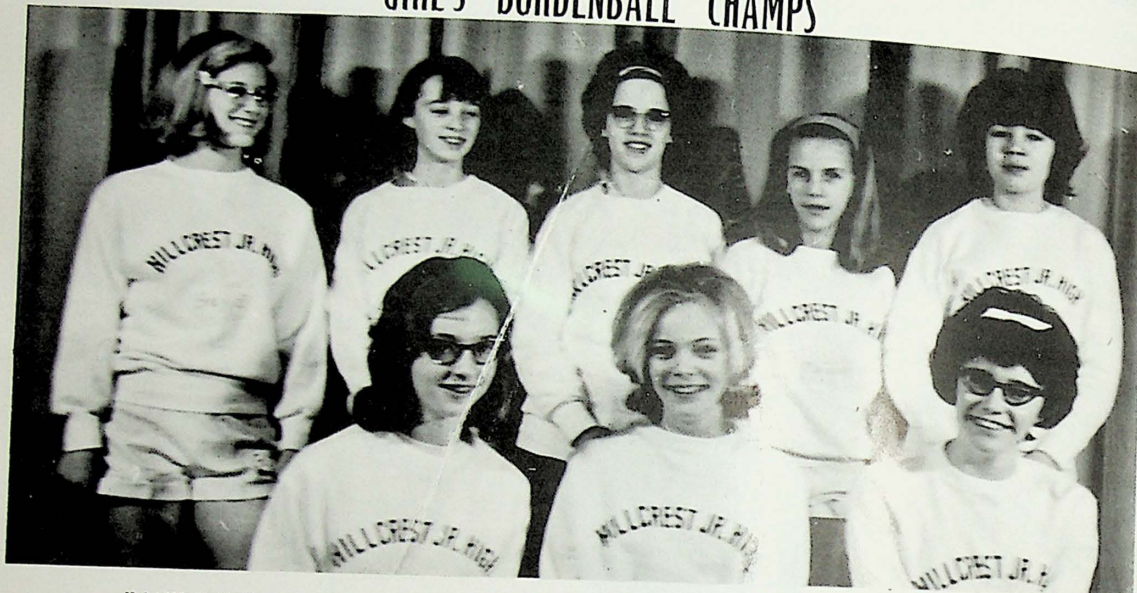

SPORTS ACTIVITIES

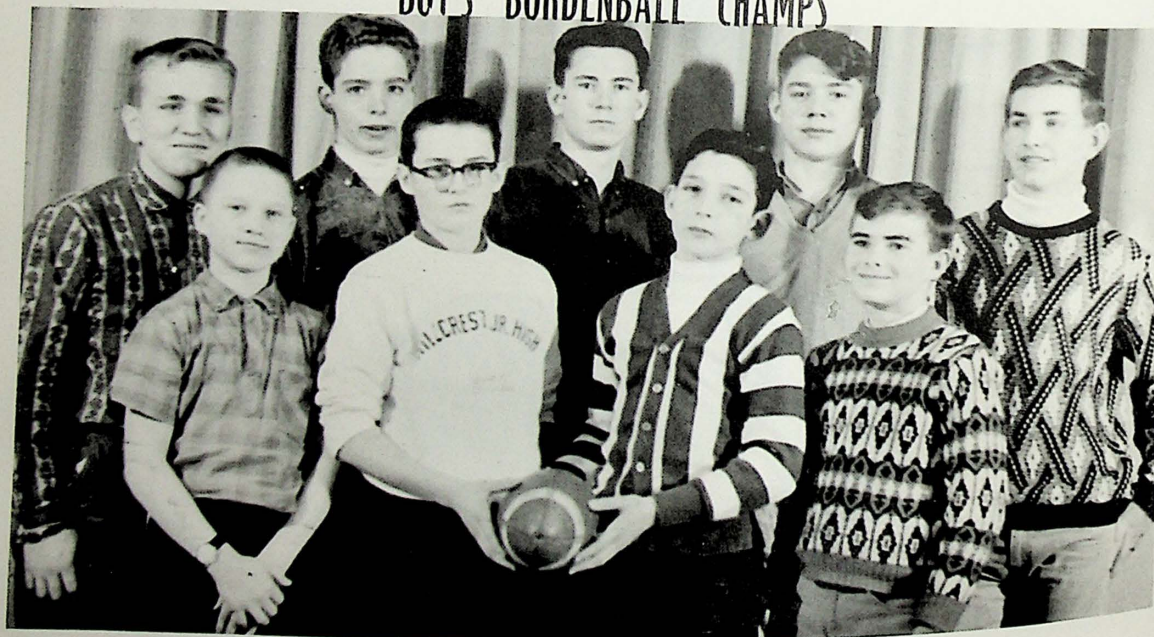

RANCH LEAGUE CHAMPS GIRL'S BORDENBALL CHAMPS

BACK ROW (L. to R.): Gay Edmonds, Patty Gleason, Sharon Good (captain), Mariana Gantvoort, Sharon Halverson

BOY'S BORDENBALL CHAMPS
